

Float rooms

The Float rooms are private, and have their own security locks. Showers, non allergy hair and organic body products are provided for you and commercial standard hygienic laundered towels and bath robes.

After the float

For after your float, a vanity and relaxing comfortable lounge area is available providing you with a hair dryer, personal skin and hair products, plus enjoy some light refreshments, a glass of filtered water or a hot drink, and time to sit, relax, and 'let go' in a safe, peaceful and caring environment.

Two types of float rooms are available in our centre

Single room 1 tank: For a private session

Double room 2 tanks: For a couple's session
